

**cvoeo**

The image features the lowercase letters 'cvoeo' in a bold, black, sans-serif font. The letters are positioned horizontally. Above the letters 'e' and 'o' is a thick, black, curved arch that spans across them, resembling a stylized 'e' or a protective shield. The arch is composed of two parallel lines, with the top line being slightly longer than the bottom line, creating a sense of depth and movement.
